

Clinical Trials Center

Quality Management

Services for Clinical Research

Head Jürg Lustenberger, PhD

Consulting Personal consulting regarding Good Clinical Practice (GCP), Good Manufacturing Practice (GMP), Pharmacovigilance, ISO 9001 and regulatory compliance of clinical trials.

Audits Verification of study specific procedures and respective documentation regarding completeness and traceability in the framework of general GCP audits or in preparation of inspections by regulatory authorities

Documents In the framework of Guidelines of Clinical Research templates and guidelines for all aspects of clinical research are made available to researchers of the University Hospital Zurich

Implementation of QMS We support the University Hospital Zurich, the University of Zurich and all University of Zurich associated institutes/hospitals as well as our collaboration partners in establishing/improving of an effective Quality Management System for clinical research
